

IT'S ALL I CAN DO

Verse 1 **You shook my world suddenly when you left that day.
Took me a while but now I know, I'm not to blame.
Promises fell through, one more time.
With strength by my side, I'll just live my life.**

Pre Chorus **But when will this hurting end? How long can I pretend?**

Chorus **When it's all I can do, to see myself through.
When it's all I can do, to wake up without you. It's all I can do!**

Verse 2 **We're born with a need, the need for love.
Suffer the pain it may bring then carry on.
I'll put my heart back on the line, that's what it's all about,
Searching for the one who won't walk out.**

Pre Chorus **But when will this hurting end? How long can I pretend?**

Chorus **When it's all I can do, to see myself through.
When it's all I can do, to wake up without you. It's all I can do! (Solo)**

Pre Chorus **When will this hurting end? You did a good job my friend!**

**End
Chorus** **When it's all I can, all I can do, to see myself through!
When it's all I can, all I can do, to wake up without you!**

Outro **It's all I can, all I can do. It's all I can, all I can do. It's all I can do.**
